

The Power of Green

5G Speed Up-Healing Grow in Grace

Best Supplement 5G formula is well thought to bring the power of Chlorophyll from Five different powerful proven green leafy plants. Chlorophyll is the substance that gives plants their green color. The potential benefits of chlorophyll include improving health, boosting energy, and fighting illnesses. The power of Five Green ingredients Starts with Moringa, Spirulina, Wheat Grass, Alfalfa, and Spinach all these active ingredients have their way of working at the cellular level and gives many health benefits. Moringa leaves contain several important vitamins including Vitamin A which helps maintain healthy vision, immunity, and fetal growth. Helps in combating heart disease, liver damage, and diabetes, these compounds also fight chronic inflammation. Spirulina is a blue-green alga and is believed to be one of the oldest life forms on Earth.

Spirulina also boosts the production of white blood cells and antibodies that fight viruses and bacteria in your body. Wheatgrass is known for its strong antioxidant property such as glutathione, vitamin C, and vitamin E. All these Antioxidants helps to fight free radicals in the body by reducing oxidative stress and protecting against health conditions like arthritis, cancer, and neurodegenerative diseases. Alfalfa is a herb is used for kidney conditions, bladder and prostate conditions, and to increase urine flow. Spinach is a nutritious, leafy green full of fiber. This vegetable has been shown to benefit health in several ways.
